Joni Rogers-Kante, CEO and founder of SeneGence®, had a vision of a company with products that really work and a career that really works, long before discovering its premier product. Once she discovered a long-lasting liquid lip colour unlike anything she had seen before, she knew it needed to be shared with the world.

In 1999, SeneGence exploded into the marketplace with the launch of LipSense® colour technology, and quickly rose in popularity as the creator of The Original Long-Lasting Lip Color®.
