works, using products that
really work.

Joni Rogers-Kante
Founder & CEO

Happy New Year! You read correctly- at SeneGence, our year ends on March 31st and begins anew on April 1st, a time of new beginnings and fresh starts. We are just beginning the 2015-2016 Seminar Year, and already we have wonderful memories and accomplishments to treasure and celebrate from Seminar Rise to Royalty, which took place earlier this month. The amount of information and excitement that took place at Seminar was staggering- in the best way possible! Highlights include crowning new Crown Princess Cathy Hoolihan, learning valuable business and sales

tips from Stephen Gregg and Hollywood makeup applications from Celebrity MUA Myke Michaels, and getting to spend time and have wonderful conversations with SeneGence Distributors from around the country and the world. In attendance, we had representatives from the United States, Australia, Canada, Switzerland, Poland, and Indonesia.

We launched three new WOW products: Purple Reign LipSense, a collection of ShadowSense Shimmers, and MakeSense Advanced Anti-Aging Foundation. Purple Reign is a gorgeous bright violet shade created by Make It Mine Winner, Sheri Moran, and fits in perfectly with the trend of matte electric lip shades so popular right now. It will also layer beautifully with existing LipSense shades. Try it with Kiss For A Cause for the most gorgeous pink-purple you've ever seen! ShadowSense Shimmers are our answer to your many requests for shimmery, shiny shadows. They perfectly complement our existing matte shadows, and add a pretty pop of elegant shimmer to your eye looks. I know

Message From The Founder

you will love these, my favorite is Sandstone Pearl Shimmer. It's a pearly champagne color perfect for highlighting. My absolute must-have product from the new Seminar launches, though, is MakeSense Advanced Anti-Aging Foundation! This one product compounds benefits of many different skincare and makeup products into one smooth foundation cream. It shields your skin from environmental toxins with SeneShield, provides anti-aging prevention and repair with SenePlex Complex+, it's water-resistant, provides a mechanical shield equivalent to SPF 15, and so much more! This new foundation one-of a kind formula represents the absolute best in skincare and cosmetic technology, stock your inventory today!

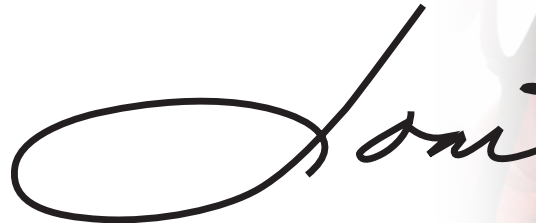

Additionally, the Beauty Book has been completely revamped with a new design and new photography, and we have added a new business piece- the Inventory Brochure! Both are wonderful and necessary business pieces.

As we begin this New Year, expand your horizons and set goals for your business- think BIG! Take advantage of the new Bonus Bucks program to Sponsor New Distributors onto your team - it gives all New Distributors who complete a paid \$50 application from April 13 - August 31 an automatic

50 \$eneBucks credit in their account! Sponsor now and reap all of the rewards that come with it. This is your year to earn a memorable SeneStar or LIPS vacation for yourself and a guest. This is your year to make sure you are recognized on stage at next year's Seminar for your achievements in the SeneSales and SeneSponsoring programs. Make the 2015-2016 Seminar year the year of YOU. After all, as you achieve your business goals and qualify for these incredible programs, the benefits, financial and beyond, will extend to your family and loved ones.

I also hope each of you take a moment to recognize your own growth. We have achieved so much together, and yet the opportunities that still lie ahead are infinite. I look forward to this New Year and continuing to be amazed and thrilled with all the incredible things to come.

Choose to live life in love and abundance...then work for it!

A large, elegant, handwritten signature in black ink that reads "Joni". The signature is positioned at the bottom of the page, overlapping the floral background.
