# Message From The Founder

**Joni Rogers-Kante**  
Founder & CEO

Dear Distributors,

Welcome to over 1,000 New Distributors who joined our SeneGence family last month during Free Sign-Ups! Congratulations to all who joined us- you have made a fantastic first step towards reaching your goals, whatever they may be, using products and a career that really work! And, congratulations to those of you Distributors who took the initiative to get out and sponsor new SeneSisters last month- your efforts and theirs will be rewarded as your and your Newbies businesses flourish.

Let's help our Newbies succeed – ensure you are doing all you can to make your new team members feel welcomed and supported in their new endeavor. Here are some things you can do to support your new Distributors:

- Reach out them and welcome them personally, “*friend*” them and add them to your training groups on Facebook.
- Schedule and conduct their launch demos and offer support and guidance.
- Communication is key; let your new Downline members know that they can call you for help. Call them or send them an email to ask how everything is going and how you can be of help.
- If they aren't checking in with you, check in with them!
- Keep them motivated and accountable to their goals.
- Make sure they are aware and taking advantage of programs available to them as new Distributors, including Fast Start Plus, Early Bird Seminar Registration (only \$195 for January Sign-Ups), and the option to purchase LIPS or GDK Kits.

Communication will ensure your team is cohesive and set up to succeed together. When you first started with SeneGence, remember how important that initial support was? Starting a new business can be an intimidating experience, and a little bit of friendly support can make all the difference in developing your team's next star. Pay it forward, and remember that ultimately, the success of your Downline team members equals the success of your business too.

It's amazing to think that we are almost at the end of another fabulous Seminar year! This was another year of growth. We will finish with impressive sales numbers, up significantly not only in the United States, but in our partner countries around the world. SeneGence continues to be strong and on a successful path. We are so glad you are on this journey with us!

Resolve to make the 2015-2016 Seminar year even better for your business by registering for Seminar “*Rise to Royalty*,” taking place April 9-12 in Irvine, California. You will not want to miss out on experiencing new product launches first and receiving product knowledge training on them, as well as new program launches, on stage recognition and entertainment. There will be specialized break-out trainings customized to each level of Distributor that focus on topics that will benefit you in YOUR level of business. We will also enjoy coaching and training from Stephen Gregg, who has had over a decade of experience putting direct sellers on the path to success. And, let's not forget about glamour training! We will share fabulous tips and tricks with you. All this and more is in store for you at Seminar 2015! Go to your Back Office today and register, it will be the most important thing you do to improve your business this year.

I hope you are having a sweet and successful February, and are ready to end the Seminar year with a bang! Remember to always choose to live life in love and abundance...then work for love!

Love,

A handwritten signature in black ink that reads "Joni".

When her Upline was unable to focus on their team due to family health issues, Arlene stepped up and took the reins to continue guiding and training, ensuring that the team remained strong. She is passionate about the business and product, which is evident in her strong business ethics. Congratulations to Ms. SeneSynergy AU, Arlene Jimeno!
