Message From The Founder

Joni Rogers-Kante
Founder & CEO

Dear Distributors,

A very happy New Year to you! The start of a fresh calendar year gives us all the chance to begin anew with setting goals and making plans to reach them. What are your goals for 2015? Do you know what you need to do to achieve them? A good place to begin is by first asking yourself, *"If there was nothing standing in my way, what would I want to achieve in 2015?"* The following quote is one of my favorites during this time of new beginnings, when what lies ahead can be as fulfilling as we choose:

"Shoot for the moon. Even if you miss, you'll land among the stars." -Les Brown

While it is important to make small, organized steps in reaching your goals, it's equally as important to challenge yourself and aim big when creating your lifetime goals; do not do yourself the disservice of

underestimating your potential and all that you can achieve. Maybe you are currently a Maiden in the Royal Court, and you'd like to be Crown Princess by the end of the year. You can do it! It has been done by others before, why not you? Perhaps you'd like to be able to retire from your 9 to 5 job in the next 2 years, and become a SeneGence Distributor full-time, while still financially supporting your family. It is possible, and I see many Distributors achieving it every year, with planning and perseverance. Do things with purpose- if you are spending time doing something that does not aid in achieving your goal, then stop doing it. If you are surrounding yourself with people who hinder your success, surround yourself instead with those who raise you up. Rid yourself of all obstacles, and get organized about your success. Here are a few things to keep in mind when organizing goal setting:

- Once you have set your lifetime goals, set a five-year plan of smaller goals that you need to complete if you are to reach your lifetime plan.
- Then create a one-year plan, and a one-month plan of progressively smaller goals that you need to reach at each level of your plan.
- Then create a daily to-do list of things that you should do today to work towards your weekly and monthly goals.

After clearly writing down your goals and plotting out how to get there, stay accountable by sharing your goals with your family and your team. Being

accountable helps keep us motivated and on the right track.

At SeneGence, our goal is to make sure you achieve your goals. Therefore, we thrive on giving you every opportunity to grow your business and succeed. That's why during the entire month of January, we are offering FREE DISTRIBUTOR SIGN-UPS! What a wonderful opportunity to boost your business by sponsoring others into your SeneGence team, and help them realize goals of their own.

Tell your potential Distributors: *"With a SeneGence career, you can represent products that really work to help make skin more beautiful, and keep it that way. You can set your own work hours, work towards your own goals, and be the boss. You can achieve your dreams of travel and once-in-a-lifetime experiences, while still being an attentive partner or parent. With SeneGence, it's not only possible, but attainable. Let's do it together!"*

How many new Distributors will you sponsor this month during Free Sign-Ups? 5, 15...25? This is an opportunity to boost business and accelerate your path to achieving your goals- take advantage of it.

Here's to a purposeful and prosperous 2015- choose to live life in love and abundance...then work for it!

Love,

Qualification Requirement: 750 cumulative PV order placed each month of the previous Seminar Year. Distributor remains a member of the \$\$\$ Program indefinitely as long as 750 PV requirement is met.

SeneCar Qualifiers | November & December 2014 | The following Distributors qualified to earn lease payments:

Let SeneGence pave the way to eliminate your car payments. Step into the SeneCar Program and drive away in a mid-size Ford Fusion. Step Up into luxury with the top of class Cadillac as you pick up the speed and grow your business!

In order for your accumulated QV to count toward SeneCar eligibility, you must personally order at least 750 PV each month for three consecutive months. Then accumulate 18,000 QV for a three month period for each stage of the Ford qualification, or 27,000 QV for each stage of the Cadillac qualification. Once you have qualified initially, continue meeting these requirements for each rolling three month period, to earn the next month's lease reimbursement.
