# Message from the Founder

Dear Distributors,

Happy New Year- what a fantastic beginning to 2017 we have experienced at SeneGence! From newly launched Advanced Anti-Aging Foundation shades (to accommodate a wider range of skin tones), to the instant success of Limited-Edition LipSense Diamonds, incredible PIT Stop events and successful Grand Opening of our California facility in Foothill Ranch, and many new Crown Princesses, Queens, Empresses, and even a Monarch (our first!) it has been a month for the books. When I say that 2017 will see big changes and improvements and exciting innovations, I mean it! This is only the beginning of a great year for SeneGence and for you. Thank you for choosing SeneGence- we are so glad to have you on this exciting journey with us.

Here are a few things SeneGence has done or is working on to help improve your business success:

- 1. Powerful Product Filling Machines-** This month, our “Joy” joined us! Joy is a top of the line, state of the art filling machine who is going to help us alleviate our back order issues. She fills LipSense product at incredible volume! SeneGence is also working on giving Joy some siblings, adding more of these marvelous machines to the family to help us keep products in stock.
- 2. New Valuable Staff-** in all departments, SeneGence is working to staff up to serve you better in your business. From adding new SeneCare Team members to assist you with your business questions and needs, to additional warehouse staff that work hard to pack your orders, and a new Director of Distributor Development, Hispanic Division to expand the SeneGence opportunity to more women,

**Joni Rogers-Kante**

The start of a fresh calendar year gives us all the chance to begin anew with setting goals and making plans to reach them. What are *your* goals for 2017? Do you know what you need to do to achieve them? SeneGence offers a simple formula for success: **WOW**, **Book**, **Demo** and **Direct**. To build your downline team and Customer base, first **WOW** others with the unique color technology of SenseCosmetics, **BOOK** product Demonstrations, **DEMO** our anti-aging skin care and long-lasting cosmetics, and **DIRECT** Demo guests after they have made the decision to become your Customer or Downline Distributor.

Follow these steps faithfully, and you will see the fruits of your labor! All you need to decide is how active you will be in working your business; the more Demos you book and hold, the more your business will flourish and you will be compensated.

And, while you are out growing your team, make sure you are filling your booking calendar with Valentine's Day Demos! This romantic holiday is the perfect time for your business to benefit from women looking for gorgeous lip color and makeup to wear on dates and to parties. Schedule SeneBlends Makeovers for your Customers to get glam before their romantic outings, and offer them our newest Diamond Lip Colors. These sparkling, long-lasting lip colors are blended with genuine crushed diamond gemstones- what could be more luxurious or romantic? Make them your featured colors at your Valentine's Demos and Open Houses.

Here's to a purposeful and prosperous 2017- choose to live life in love and abundance...then work for it!

Love,

December 2016 Recognition

Ms. SeneSynergy

Congratulations to **US Distributor:**

**Courtne Rydalch**

Lady Courtne Rydalch always goes above and beyond for everyone around her. She is happy to help new Distributors with questions they may have about getting started, even if they are not on her direct downline. She has even generously opened her home and invited new Distributors to come and learn with her, sharing her vast product and application knowledge. For those she cannot help teach in person, she creates helpful makeup videos and shares them on social media. Everyone around her says she is a positive, uplifting force. Congratulations Courtne!

SeneSupport

Congratulations to

**Ashley Gardner**

SeneGence International recognizes an outstanding Distributor each month with the greatest number of qualified new recruits (300 accumulative PV in the month they were sponsored) with 100 SeneBucks. The sponsoring Distributor must have a minimum of 750 PV cumulative for the month.

Within the first 30 days, new Distributors that place at least one 300 PV order and recruit a first line Distributor who also places a 300 PV order within their initial 30 days, will receive this exclusive pin.
