Message from the Founder

Joni Rogers-Kante
Founder & CEO

Dear Distributors,

I hope that your business is sizzling with success as we enter mid-summer here in the US! I know that you are fired up with excitement and motivation after attending PIT Stop M3 earlier this month. Between the fantastic social media training from our expert guest speakers and Leader Distributors, and the wonderful memories and bonds of SeneSister-hood that were made, this July PIT was definitely an event I will remember forever, and I know our attendees will too. Carry that motivation and excitement with you in the coming months as you implement the new things you learned, and you will see your business flourish more and more each day.

We had a record-breaking number of attendees in the US, and I can't wait to see all of my Royals and above show up for Leader's Conference in October. Oklahoma- we are coming your way again and Leader's Conference is going to be another event to remember! Make the decision to invest in yourself and in your business. Leader's Conference is the number one event you need to attend if you are serious about building a successful business and legacy. This event provides you with the focused team management and leadership training that you need to have a solid, successful organization. I can't wait to see you there!

As we wind down July, we inch closer and closer to the holidays/fall (yes- you really can be thinking about that now, and it's smart to plan ahead!), I find that July is a great month to finalize your business and marketing plans for the upcoming season. Back to School, Halloween,

MISSION STATEMENT:

To empower women around the world
with a career that really works, using
products that
really work.

Thanksgiving and Christmas are a few months away. These are important holidays for your business, as they present great opportunities and occasions to market your highly desired SeneGence products and personable shopping experience. Begin NOW to fill your September booking calendar, plan your open houses, and finalize the promotions you will be running for your business. Challenge yourself to grow your SeneGence Team even more this month and the remaining months of this season, and you will see your business prosper into fall (or spring for SeneGence Australia).

Not only is July a great time to look forward into the next 6 months of 2016, but it's also the perfect time to look back on the last 6 months. This month marks the beginning of the second half of the 2016 calendar year, and the second quarter of our Seminar Year. How are you doing with the goals that you set for yourself at the beginning of 2016, or after Seminar in April? Did you meet your Sponsoring goals, or see your commission checks increase? Don't lose sight of what you want to accomplish. Keep active in your business and do something to work towards achieving your goals everyday- even if all you have time for is making follow-up Customer service calls, or posting to Facebook. To stay accountable to your goals, involve others to help you stay motivated. Attend your weekly/monthly team meetings, post into your

Team's Facebook Groups, register to attend Area Training Events taught by SeneGence staff and Leading Distributors in your area, and log on for weekly webinar training. Keep active in the SeneGence community! I know that SeneGence Distributors are always willing to help each other grow and achieve goals- it's one of the many things that makes our company culture so wonderful.

While you continue to grow and achieve your goals in business, we are actively working to do the same thing here at SeneGence. We have taken several exciting steps that I know will help us to help you find better business success this year. Some of the exciting improvements we are working on will alleviate the out of stock issues on products, with more powerful manufacturing equipment, more space to keep inventory, and more staff to fill your orders. Our marketing department is also working to revamp our website and bring you several other tools I think you are going to love.

Stay tuned for the exciting things to come, and remember to choose to live life in love and abundance... then work for it!

Love,
