Message from the Founder

Joni Rogers-Kante
Founder & CEO

Dear Distributor,

With summer in swing here in the US and the weather starting to really heat up, I hope your business activity is heating up as well with Open Houses, SeneBlends and Demos! We are starting to move outside, travel, go on vacations and become more active with the seasonal changes (and that includes winter holiday breaks in AU). This gives us the chance to meet new women and share our great SenseCosmetics (they won't melt in the heat and are pool-proof!), SeneDerm SkinCare (that balances our skin and protects it in harsh environments), and of course our Career Opportunity, which can really be tailored to each individual's goals and dreams, big and small. Consider the following locations, programs and opportunities to work and grow your SeneGence business:

- **Graduation Parties** - from Kindergarten to college graduation parties, these celebratory events are fabulous places to meet women who will be interested in SeneGence. As they kiss their children in congratulations and leave a print on their cheek, or shed tears of joy and have eye makeup running or wiping off, take it as an opportunity to share SenseCosmetics. Always offer the SeneGence choice: Customer or Distributor?
- **Airports** - whether in the US, AU, or Canada- these departure centers will be absolutely full of women waiting to fly off on summer trips and holiday vacations. As you are waiting for your own flight, approach someone (make sure they are not about to board) and offer LipSense that won't come off in the ocean, or Climate Control that will quench their skin's need for moisture. Be sure to ask where they're from and let them know that SeneGence needs Distributors in their area- offer the Career Opportunity.
- **Weddings** - the wedding season is upon us! Do you have several penciled in to your calendar, or know of

MISSION STATEMENT:

To empower women around the world

products that
really work.

anyone tying the knot or participating in a wedding this season? SenseCosmetics and SeneDerm SkinCare are PERFECT for brides and bridesmaids. They can achieve glowing skin and have bulletproof makeup looks that last all day. Reach out with the Bridal Beauty Brochure, available in your Back Office.

- **Vacations** - One of the fantastic aspects about being a SeneGence Distributor is that you DO have the flexibility to pick up and take off for a relaxing vacation with your family. But that DOESN'T mean that your business goes on vacation too. Bring a small WOW-ing kit with you, there will be hoards of women looking to indulge themselves with beautiful products. Jump in the pool with a full face of makeup- wear a bright LipSense shade. Watch as women flock to you and ask you what your secret is for keeping your makeup on! Have fun with it, and be sure to have some stock on hand.
- **Don't Forget About CDO!** Customer Direct Order, or CDO, is a free US program that allows Customers to order and receive product directly from the company, while at the same time provide for the payment to the selling Distributor of retail profit and to their upline of commissions and bonuses on the sale. This program allows you to physically leave your business for any amount of time, and your business will still be open and operating! Your Customers can shop from your store and have their products sent to them right away, they do not have to wait for you to return and ship it to them. Opt-in

to CDO today- just go to your Back Office>Business>Customers>Customer Direct Order Program. We are working to bring this program to AU and Canada too!

- **Attend Company Training Events.**

Do not stop learning and growing and make sure that you stay on top of trends and information as it becomes available. The best way to do this is by coming to SeneGence sponsored training events. Whether you join us for PIT Stop next month (and you should, it's going to be packed with social media training), or attend an Area Training event near you with Leader Distributors, Leslie Boyd-Bradley or myself, feed your business brain and be always improving.

For those of you located in the Southern Hemisphere who are approaching winter, my tips and advice to you remain the same. Take advantage of seasonal opportunities to WOW, Demo, and Direct, and use the many programs that SeneGence offers you to grow your business.

I hope you are all enjoying marketing and offering our fantastic limited-edition Neon LipSense colors, Razzberry, Electric Tangerine and Violet Volt to your Customers. They are vibrant colors perfect for the season, and are so fun to layer with to create custom shades.

I look forward to the months ahead being full of growth and prosperity within your SeneGence businesses and lives. Remember the key:

Choose to live life in love and abundance... then work for it!

Love, Joni

May 2016 Recognition

Ms. SeneSynergy

Congratulations to **US Distributor:**

Chelsea Nielsen

Congratulations to **AU Distributor:**

Chantelle Patu

Princess Chelsea Nielsen is welcoming and friendly to all new Distributors, and makes an effort to reach out to anyone who needs help or motivation. She inspires her team members, who say that they know Chelsea really cares about their success. She is an involved, caring leader, always going above and beyond to help her team out with any questions they may have. Her downline says that Chelsea makes this business fun with her uplifting attitude. Congratulations Chelsea!

Lady Chantelle Patu creates incredibly effective product training videos to help out not only her team members, but all SeneGence Distributors. Chantelle is a very skilled professional makeup artist who loves to create stunning looks with SenseCosmetics, and she shares her techniques with all who want to learn. These application videos are effective training tools, and help others to learn to be comfortable with different applications and SenseCosmetics products. She also recently shared her application knowledge with her fellow Distributors live at Seminar in Australia. Chantelle is a true leader who loves to help and inspire others. Congratulations Chantelle!
