Message from the Founder

Dear Distributors,

So much has been happening at SeneGence this month to ensure the future growth and success of your business- it's all so exciting! Our US warehouse staff made the big move over to our brand new warehouse space at our headquarters in California. The new warehouse is many, many times bigger than our previous warehouse, and it's already making a big difference in our ability to hold inventory and more efficiently get your orders to you. This improvement came just in time, too- August was a record breaking month for SeneGence and we saw thousands of orders being placed and Distributors increasing in Royal Rank. Congratulations to you! While this incredible growth is awe-inspiring and exciting, it also caused a few growing pains with the SeneGence warehouse and operations team catching up to meet your fantastic business efforts. We thank you for your patience and can assure you that we will never cease to find ways to grow and improve, always striving to exceed your expectations in business support. The grand opening for the new US corporate office is taking place during PIT Stop this January. Please register to attend and join us for a historic event that will certainly go down in SeneGence history.

MISSION STATEMENT:

To empower women around the world with a
career that really works, using products that
really work.

In addition to all of the moving excitement, our headquarters are also abuzz with finalizing plans for our Leaders Conference (both US and AU) coming up in just a few short weeks! Leaders Conference attendees in both countries can look forward to a spectacular event, packed with focused leadership training, exciting topics, and beautiful awards ceremonies. During the US conference, we will also be hosting the Groundbreaking Ceremony for the upcoming SeneGence Midwest Distribution Center, as well as the Ribbon-Cutting Ceremony for the new SeneGence Oklahoma Pick-and-Pack Warehouse.

As I think about SeneGence when I founded it in 1999, with only a few LipSense shades to offer Customers, a small room acting as our “warehouse,” and just a handful of good friends and trusted colleagues trying our best to get this “little” company going, the emotions are overwhelming. Now, thousands upon thousands of women and families are able to live more abundantly through a SeneGence career, finding freedom financially, emotionally and professionally, and we are expanding into larger spaces to be able to service everyone who chooses to live life in love in abundance. As SeneGence Distributors, each of you is making a significant, positive impact in your communities, helping to spread success and opportunity. We have come a long way, and we are not stopping here! The entire SeneGence staff and I are honored you are with us on this fantastic journey.

We are at the beginning of a brand new season, and the holidays will be here before you know it! Have you finalized your booking calendar? If not, be sure to do so now, as women’s calendars will be filling up fast with all of social engagements and obligations that come with the holidays. Let’s all gear up for a booming holiday season and a fantastic wrap to 2016!

As always, remember to live life in love and abundance...then work for it!

Love,

August 2016 Recognition

Ms. SeneSynergy

Congratulations to **US Distributor:**

Tracy Sharp

Crown Princess Tracy Sharp is admired by her downline team members as the best cheerleader, motivator, teacher and friend they could ask for. She constantly inspires others to work hard and reach for their goals, and always lends a helping hand. Tracy sends her team members messages of encouragement regularly to keep her everyone upbeat and excited for their business. Her authentic kindness, positive attitude and desire to see others succeed is very appreciated by others. Congratulations Tracy!

Congratulations to **AU Distributor:**

Gemma Polemeni

Royal Gemma Polemeni's team members says she goes above and beyond to support both her team members, and also those outside of her downline. She offers her time to those wanting to learn more by bringing them with her to Demos, hosting informational webinars, training on the phone and in person. Her upbeat and positive attitude is inspiring to others and encourages them to push for their own goals. Gemma's selfless attitude and valuable teaching techniques make her very deserving of this month's AU Ms. SeneSynergy title. Congratulations Gemma!
