Message from the Founder

Dear Distributors,

Happy holidays to you and yours! From all of us at SeneGence International, we wish you love, warmth and abundance that will last into the New Year. This year, the joy and cheer comes with exciting improvements and upgrades around SeneGence. This month, the California headquarters have moved to a brand new office and warehouse facility in Foothill Ranch. The new space features custom designed offices, a beautiful new beauty bar, and a large warehouse and packing area. We know that this upgrade is going to help us better serve you and your business. It will allow us to hire more talented people to facilitate your growth, hold more inventory, and more efficiently pick and pack your orders with accuracy and timeliness. What a fantastic start to what is sure to be the best SeneGence year yet! If you are local in California, please stop by to see our new headquarters and play makeup at our beauty bar.

In addition to our California move, we are all busy preparing for the PIT Stop “Glam it Up” events, taking place next month in California, Australia and Canada. Attending the Glam it Up PIT Stop is of vital importance to your business success. At the heart our SeneGence businesses are products that really work the

MISSION STATEMENT:

To empower women around the world with a career that really works, using products that really work.

way we say they do. Having a full and thorough understanding of the technology behind these products, and techniques in which to use them makes the difference in how successful your business is. After all, wouldn't potential customers be more inclined to purchase from a business owner who is knowledgeable about the products they represent? Of course SeneGence offers many training materials to teach you about the products, but there is nothing quite like being at a live event to learn from our Lead Makeup Artists of the Month, Leslie Boyd-Bradley, and myself. Make a resolution to invest in your SeneGence business- PIT Stop is the perfect place to start!

As we near the end to a fantastic year, my pride for you is overflowing, for growing, building, and amazing us all in a timeline I never thought possible. In 2016, not only were sales records broken, but so many dreams were realized. Families were blessed, lifelong friendships were forged, and communities flourished. SeneGence received its first Distributor Empress in company history in the United States, and the

first Canadian Crown Princess! Our domestic and international growth numbers are climbing exponentially every single month. And, despite the very real "*growing pains*" that SeneGence has experienced with the influx of activity, you have stayed strong and successful. I have so much gratitude for you all; I know first hand the challenges you are facing with out of stock products, as direct sales and entrepreneurship has been my career and passion for my entire adult life. You can be assured that we have made and are making great strides to alleviate the out of stocks, with new facilities, employees, and powerful filling machines. Our only path is onwards and upwards; there are no limits to what we can achieve together! Thank you for being with us.

Remember, choose to live life in love and abundance...then work for it!

Love,

November 2016 Recognition

Ms. SeneSynergy

Congratulations to **US Distributor:**
Bailey Rogers

Princess Bailey Rogers goes above and beyond her team members' expectations of an Upline leader. Her team says that Bailey is always there to support them, answer questions, assist with marketing ideas, and help with Demos and vendor shows. Her friendly smile, as well as helpful and motivational attitude is very appreciated by all those around her. Congratulations Bailey!

Duchess Joanne Boutilier is a busy double duty Distributor who juggles another career in addition to her SeneGence business. However, she still manages to find time to support her team, in addition to helping Distributors who are not on her team. She is always keen to provide tools for others to help in their success, and consistently maintains a positive attitude-an inspiring attribute to those around her. Congratulations Joanne!

Congratulations to **CN Distributor:**
Joanne Boutilier

SeneSupport

Congratulations to
Ashley Gardner

SeneGence International recognizes an outstanding Distributor each month with the greatest number of qualified new recruits (300 accumulative PV in the month they were sponsored) with 100 SeneBucks. The sponsoring Distributor must have a minimum of 750 PV cumulative for the month.

Within the first 30 days, new Distributors that place at least one 300 PV order and recruit a first line Distributor who also places a 300 PV order within their initial 30 days, will receive this exclusive pin.
